CIRCULAR MEMORANDUM.

It has come to the notice of Government that a parliamentary Secretary proceeded on tour in the Districts without forwarding his tour programme to District Officials through an official of the Secretariat Department or through the personal Assistant to the Honourable Minister which he was required to do under paragraph (1) of Government Memorandum Political and Services Department, No.2688/35-A dated the 20th July 1939 (copy attached for ready reference). The attention of all parliamentary Secretaries is therefore, invited to the instructions contained in the Government Memorandum mentioned above and they are requested to adhere to this practice in future.

Copy of a Memorandum No.2688/34-A, dated the 20th July 1939 .

I am directed by the Honourable the Prime Minister to draw the attention of all Parliamentary Secretaries to the instructions that were issued in November 1938 for their guidance in the matter of their tours and to recall the following points:-

(1) Unless the Parliamentary Secretary has been officially appointed to an independent position he represents his Minister when on tour officially, and therefore tours under the official instructions of the Minister. The tour programmes should be communicated to the Secretariat Department, or under the signature of the Minister's Personal Assistant (This is desirable in order to avoid misunderstanding with District Officers who on several occasions have been wrongly designated).

(2) A Parliamentary Secretary has been given authority to ~~invite~~ invite to meet him such officers of the District as are connected with his Department and are required for personal discussion relating to matters falling within the Department in ~~discussing~~ ~~discussing~~ in which he is on tour. No orders have been given to officers to call on a Parliamentary Secretary as matter of course or to accompany him on his tour unless invited to do so: and this should not be expected.

(3) It follows that Parliamentary Secretaries should not invite the Collector or the District Head of his Department to arrange a general programme in consultation with the Congress representatives. More definite instructions in regard to his tour are ordinarily desirable and the District Officers should not be called upon to attend or assist in such part of the tour as is not official duty.

New Delhi, 3, the 14th November 1949.

OFFICE MEMORANDUM.

Subject;- Courtesies to be shown to Honourable Ministers of Provinces when they pay official visits to Delhi.

The undersigned is directed to invite a reference to this Ministry's Office Memorandum No.20/5/48-Apptt(spl), dated the 2nd December 1948, regarding the observance of the procedure connected with the visits of the Honourable Ministers of the Dominion Cabinet to provinces. In this connection, it has been represented by certain Provincial Governments that even when previous intimation about the official visits to the Headquarters of the Government of India, of the Honourable Ministers of the Provinces has been given to the Ministries concerned at the centre, the usual arrangements for their reception and protection have not always been made. No specific orders about the courtesies to be extended and the scale of protection to be accorded to the Honourable Ministers of Provinces when they visit

Delhi officially, exist at present. In order not to give rise to any such complaint in future, it has now been decided, after taking into consideration the replies received from the Ministries etc. to this Ministry's D.O. letter of even number dated the 14th September 1949, that the following procedure should be followed when the Honourable Ministers of the Provinces, States and Unions of States visit Delhi in connection with the official work.

(a) If a Provincial Minister etc. in charge of more than one portfolio, comes to Delhi to attend an official conference or meeting, the Ministry convening such a conference or meeting, should make arrangements to depute any suitable officer to receive and to see off the Honourable Minister at the railway station or the aerodrome, as the case may be. In cases where an Honourable Minister travels by road, the officer should call at the Honourable Minister's residence as soon as possible after his arrival.

If more than one Ministry is concerned with the Convening of such conference or meeting, they can divide ^{the} responsibility between themselves.

(b) If a Provincial Minister ~~visits Delhi on official business~~ etc. is invited for official discussions by one or more Ministries, the same procedure as in (a), should be followed.

(c) If a Provincial Minister visits Delhi on official business of his own accord, the Ministry whom he has informed of his visit, should be responsible for extending courtesies to him.

(d) Courtesies should only be shown to the Provincial Ministers etc. when they visit Delhi in connection with official work and not in connection with the session of Constituent Assembly or party meetings.

2. The Provincial Governments and States and Unions of States are being requested to give timely intimation of the official visits of the Ministers to Delhi to the Ministry

concerned along with information regarding the mode of travel, time of arrival, address in Delhi, etc.

3. The question of protection of the person of the Honourable Ministers of the Provinces, States and Union of States, is separately under consideration and suitable orders to the ~~xxx~~ authorities concerned will be issued shortly.

ACCOMPANIMENT TO GOVERNMENT RESOLUTION ? POLITICAL AND ser-
vices Department, No. 2799-E dated the 23rd November 1949.
Rules regarding arrangements in the Districts ~~in the Districts~~
for tours of the Honourable Ministers of the Governmen
-t of Bombay.

1. When an Honourable Minister of the Government of Bo-
mbay visits the headquarters of a District on an official t
tour he should be met on arrival by the Collector and the
District Superintendent of Police and by the local senior
gazetted officer of each department in the port-folio of
the Honourable Minister.

2. The Police should provide a complimentary guard, as presc-
-ribed for Commissioners of Divisions, if the arrival takes pl
ace between sunrise and sunset and also at the time of the
Honourable Minister's official departure, if between those
hours

3. A personal escort as prescribed for the High Court
Judges on circuit should be provided to meet, and to re-
main on duty at the residence of the Honourable Minister,
unless the Honourable Minister has expressed a desire to the
contrary.

4. At places other than headquarters the Honourable Minis-
ter should be met on arrival by the Collector or by a senior
gazetted officer deputed by the Collector.

5. Police guards will turn out and present arms to the
Honourable Ministers Vide corrigendum P. & S.D. No. 2799-E

Dated the 18-8-50
(41/49/69017)

6. It should be the duty of the Collector or of a gaze-
tted officer, deputed by him to see that suitable accommoda-
tion is provided at each camp, and that suitable arrangements
are made for supplies carriage of luggage, transport and other
reasonable requirements and facilities. If the Honourable
Minister alights, at a wayside railway station, during the
- night the officer in-charge of the arrangements should see
to it that adequate lighting arrangements are made if these
do not exist at the Station, and that porters are provided to

carry his luggage.

7. Gazetted Officers present in the Station will as a matter of courtesy be expected to call on the Honourable Minister. When the Honourable Minister visits a place outside the provincial headquarters officially on tour, the most senior officer of each Central Department stationed in the place should call on the Honourable Minister. Similarly the most senior officers of each central Department stationed at the provincial headquarters should call on the Honourable Minister. These calls should be renewed when a new officer taken charge, or when there is a change of Ministry. The Collectors of Districts should see that officers of the Central Government stationed in their Districts are duly informed of intended visits of the Honourable Ministers to their Districts.

8. On the occasion of the visits of the Honourable Ministers to District Headquarters and other places, District Judge should be present at the arrival and departure of the Honourable Ministers at District Headquarters whenever the arrival is official and at other places they should be present for special interviews if so directed.

Note:- By official is meant other than purely private and personal visits

9. The attendance of Civil Surgeons and District Medical Officers on the Occasion of the visits of the Honourable Ministers to District Headquarters and other places should be restricted to the arrival and departure of the Honourable Ministers and to interviews specially arranged.

10. When the programme of an Honourable Minister has been officially communicated to District Officer (apart from those mentioned in Rule 9(1)), the officials concerned should meet the Honourable Minister on arrival and also be present to see him off. They should also be present when the Honourable Minister attends any public function or receives any address or a deputation as a Minister. As regards non-official functions, the officials are at liberty to attend such functions or not as they please.

11. The Commissioner of Police, Bombay and the District Magistrates should take suitable but unobtrusive steps to ensure that official proceedings at public receptions of the Honourable Ministers are orderly and that Political demonstrations are kept under control without taking any drastic step like an arrest or charge.

12. The Secretary to the Honourable the Premier and the personal Assistants to the Honourable Ministers should ensure that as much notice as possible at least one week's is given to the Officers concerned of the intended visit of the Honourable the Premier or an Honourable Minister respectively to a District, and that if it becomes necessary the notice is given by telegram. Whenever tours of the Honourable the Premier and the Honourable Ministers involve journeys by trains, copies of the tour programmes should be supplied sufficiently in advance to the Superintendents of Police of the Railways concerned. Strict compliance with these instructions is necessary to enable the officers concerned to make the required arrangements in good time in connection with the visits of the Honourable the Premier and the Honourable Ministers.

13. These instructions should not apply to ordinary journeys between Bombay and Poona.

14. These rules are intended for the guidance of the district officers, but nothing in them shall be held to limit the discretion of an Honourable Minister to dispense with any or all of the formalities prescribed in them, in them in any circumstances in which he may consider that course desirable, for example, if he is travelling by Motor car and the hour of his arrival at a station is uncertain or if he proposes to arrive by train at an inconvenient hour, late at night or in the very early morning, or when his intended stay at a station is very short. In such cases the Honourable Minister may arrange to communicate his wishes to the Collector, and if the station is the headquarters of a Division, to the Commissioner, and to any other officer specially concerned, as soon as may be convenient.

15. "Public" and "Private" arrivals and departures of the Honourable Ministers:-

(1) Ordinarily the first visit of an Honourable Minister to any place should be treated as a public arrival and departure unless the Honourable Minister concerned expressly directs otherwise. A second or subsequent visit to the same District will be private unless for special reasons the Honourable Minister directs otherwise. Rules (1) (2), (3) and (4) apply to "Public" arrivals and departures. As regards private arrivals and departures, rule (14) will apply and the normal arrangements would be that an Honourable Minister should be met by the Collector and the District Superintendent of Police, unless the Honourable Minister intimates that on account of circumstances such as those exemplified in Rule (14) he does not wish for any formal welcome or for only the heads of the departments in his portfolio to be present.

(ii) When the arrival is in the circumstances mentioned in rule (14), rule (7) which requires Gazetted Officers present in the stations to call on the Honourable Minister as a matter of courtesy, will not apply unless the Honourable Minister so intimates and only the Collector and the Gazetted Officers of the Honourable Minister's Department will be expected to call.

(iii) With reference to instructions in sub-rules (i) and (ii) above, ordinarily it will be sufficient if there is one formal reception, which will be duly indicated in time (i.e. the occasion is treated as a "Public arrival" of an Honourable Minister once in a District in a year. On a second or subsequent visit of the Honourable Minister to the same district in the year the meeting between him and the collector or other Officers of the District should be confined only to those occasions when the Honourable Minister wishes particularly to call the officer for discussion of specified matters.

(iv) In the majority of cases when the Collector or other District Officer is on tour.....

(iv) the advantage to be derived from a personal meeting at which he could give information on local matters to the Honourable Minister and receive advice from him, would greatly exceed the inconvenience caused by an interruption of his tour. Circumstances may arise, however, in which it would be contrary to the Public interest that the work of an officer should be interrupted as, for example, when he is touring in a distant and inaccessible part of the district, or is engaged on special investigations in which it would be contrary to the public interest that his work should be interrupted. It is not the intention of Government that public work, which the officer may be performing at the time should be interfered with unnecessarily, but if any Honourable Minister wishes to discuss with the officer matters of general public interest and desires that during his visit (even if it be "private") to the district the officer concerned should meet him, his orders should be complied with.

(v) Halts by an Honourable Minister at a railway station, expressly for the purpose of changing trains, should not be treated as "within the meaning of rule (4) above. The necessary police "bundobast" and arrangements for the transfer of the Honourable Minister's luggage should however, be made according to official standing orders of the authorities of the district.

For further orders Pl.see G.R.P. & S.D.M.2799-E,

RESOLUTION:- In connection with the official visits
of the Honourable Ministers, the Ministers of State
and the Deputy Ministers of the Government of India
the Governors, the Rajpramukhs and the Honourable Mini-
sters of the other State Governments in India to
the State of Bombay it is noticed that some times the arr-
ivals and departures of these Distinguished Visitors
are during the night time. The officers who are required
to pay/courtesy calls on them on arrivals and depart
find it very inconvenient to receive and see them
during night time. Government has, therefore, con-

this question carefully and is pleased to direct that except in the case of the Honourable the Prime Minister and the Honourable the Deputy Prime Minister of India, the Governors of Part A States, and Rajprakhis of Part B States it is not necessary for the Secretariat officers in Bombay and the Collectors or their deputies in mofussil to receive and see off the other Honourable Ministers, if they

~~xxxxxx~~ happen to arrive and depart during night time. However, the Police Officers concerned should remain present during the arrivals and departures of the Honourable Ministers at all times so that the Honourable Ministers will not experience any difficulties if the Secretariat officers in Bombay and the Collectors or their deputies in mofussil do not receive or see off the Honourable Ministers during night time.
